Heritage's Theology program

All parents are invited to attend this workshop to learn about our theology program. A sound foundation in the faith and biblical knowledge is built at home and in the Enrichment, lower and middle school years. As students move into high school, they take classes in Apologetics, Systematic Theology, Christian Philosophy, Christian Ethics, and in their senior year will take World Religions, Geopolitical Relations, and the Global Church. Come to learn more about the beautiful faith integration that happens across the curriculum, the unique high school theology program we are building, and the way we are equipping our graduates to articulate and defend their faith persuasively and humbly, apply Christian worldview principles to everyday life, and view every subject as integrated in and through the Lordship of Christ.

**All workshops will take place on Wednesdays at 8:10 a.m.-9:10 a.m. in the Chapel/Library on North Campus unless otherwise noted. Please feel free to arrive early for coffee. Parking is available in the North Campus parking lot and on South Campus if the North Campus lot is full.**
